

3rd Leg of SYRATHON COMPLETE – Paige's Butterfly Run

A beautiful Saturday morning, magnificent Victorian homes, the serenity of the city's creekwalk, a photo finish, and the sights and smells of Taste of Syracuse, all combined to provide the perfect backdrop for an incredibly successful Paige's Butterfly Run...race #3 (and mile number 17.1) of the Syrathon Race Series.

Syrathoners...have you hit your "runners high" yet? Paige's Run, like the Mountain Goat and Shamrock Run before it, realized record participation in 2009! Congratulations to all finishers, and to Chris Arnold and volunteers for a terrific event!

And...congratulations to all SYRATHON Race Day prize winners. Remember, prizes may be claimed at Fleet Feet Syracuse on Erie Blvd.
