

SYRATHON Race #2 – Mountain Goat Run Sets Records!

Syrathon 2009 – the foot race tour of Syracuse Parks - is now 14 miles in, following an historic Mountain Goat Run on Sunday May 3. More than 2,600 runners registered for either the Fun Run, the 3-mile or 10-mile Goat – an all time high! The 10-milers were treated to nearly perfect weather conditions (a bit cloudy and cool) for tackling a challenging but oh-so rewarding course! Hats off to all finishers!
