   - 15-065 No Hearing
The board also discussed and unanimously passed the following resolution:

**Resolution on CRB legal action regarding the failure of the Chief of Police to provide his disciplinary decisions and rationale to the CRB**

_Whereas_, the Chief of Police has recently stated that he will not provide his disciplinary decisions and rationale to the CRB when the CRB sustains an allegation against an officer after the 60 day timeframe for the CRB to complete its process has expired,

_Whereas_, the CRB has received and reviewed a written legal analysis from outside counsel that the language in the CRB ordinance directing the CRB to complete its processing of a complaint within 60 days is directory, not mandatory,

_Whereas_, the CRB ordinance does not contain any language indicating that “time is of the essence” nor any language indicating a negative consequence if the CRB’s 60 day timeframe is not met,

_Whereas_, the right of an individual complainant to access the complete CRB process, including the provision of the Chief’s disciplinary decision and rationale to the CRB, should not be hindered or eliminated when, through no fault of the complainant, the CRB process cannot be concluded within 60 days,

_Whereas_, the intent of the CRB ordinance to ensure accountability of the Syracuse Police Department’s disciplinary process would be substantially undermined if the Chief of Police were allowed to continue to refuse to provide his disciplinary decisions and rationale to the CRB when the CRB concludes a case after the 60 day timeframe has expired,

_Whereas_, CRB legal counsel has shared his legal analysis with Corporation Counsel, and, by means of email, phone calls and meeting requests, has attempted to resolve this issue through mutual agreement with Corporation Counsel,

_Whereas_, Corporation Counsel has stated that no resolution would be reached,

_Therefore, Be it Resolved_, that the CRB directs the Administrator to engage outside counsel to take all necessary legal action, with the approval of the CRB Chairman, to require the Chief of Police to provide his disciplinary decisions and rationale to the CRB when the CRB sustains an allegation against an officer even when the CRB process is concluded after 60 days.

On motion duly made, seconded and unanimously adopted, the Board adjourned its meeting.

Respectfully submitted,

Betty L. Pearson
