Mary Jensen: Syracuse needs a house for woman with children to undergo a two year program; Drug treatment as well as parenting skills. No one is willing to fund something like this, local Church organizations are being asked to help develop a program like this. Prostitution is a community crisis, treat prostitutes as victims rather than criminals, focus on the 'Johns'. Women often 'groomed' from childhood, growing up with this lifestyle as a norm, without knowing how to move into a better life.

Lt. Belgrader: Most prostitutes arrested are repeat offenders. Call him with any suspicious info you see, helps them build a case for future arrests. Prostitutes using cell phones to reach their clients rather than standing visibly on corner, with increase of police surveillance.
