

# SWIMMING POOL OWNERS:

Help us monitor  
the invasive  
Asian Longhorned Beetle  
by participating in a  
pool filter survey.

Contact DEC to participate  
in the pool survey  
**JULY-AUGUST**

Department of  
Environmental  
Conservation

The Asian longhorned beetle has destroyed tens of thousands of trees in New York City and Massachusetts. Now it threatens New York's forests.

For more information about the Asian Longhorned Beetle and the pool survey:
